ABOUT

NAVKAR GROUP

•

Recognized for our innovative and quality construction! Navkar Group of Companies, a renowned real estate developer and consultant, has been delivering iconic projects across India since its inception in 1994.

Founded by the visionary entrepreneur Late Shri Sanjay Jain, the group's core expertise lies in developing residential and commercial properties independently or through joint ventures with distinguished names in the realty sector. The group has also ventured into the retail space.

We prioritise the safety of the public & project personnel. Comprehensive planning ensures the protection of employees, equipment, the environment, and the public during operations. Compliance with safety, and environmental standards is mandatory for all personnel and associates, reinforced through regular training programs & workshops. Despite the challenges ahead, the Navkar Group is committed to sustainable growth that respects environmental limits and infrastructure capacity.
